(iv) The emoluments admissible to a Government Servant when he returns to duty on the expiry of the leave.

In all these cases the claims of the officers should be passed only when accompanied by the Accountant-General's authorisation, a copy of which is always endorsed by this office in favour of the Treasury Officer concerned.

2. The Heads of Departments are requested to issue necessary instructions to the Gazetted Officers, under their control, for strict adherence to the provisions of the rule cited. The prompt transmission of the charge reports, both when the Government Servants proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of the officers

Notification dated 26th December 1951.

To

All District Treasury Officers.
All Heads of Departments (both Central and State).

Subject :—Claims of Gazetted Government Servants.

No. G.A.I. Genl.—371. A number of instances where the treasury and other disbursing officers have made payments of pay, leave salary and allowances contrary to the instructions conveyed in this office circular No. G.A.I.—Gl.—46, dated 8th May 1951 (published in the *Mysore Gazette* dated the 17th May 1951) have come to the notice of audit.

2. In order to obviate the recurrence of such irregularities in future, I am notifying the circular referred to, once again, in the Gazette. The drawing and disbursing officers are particularly requested to note that the authority of this office is quite necessary for drawing the salary whenever a Government Servant proceeds on leave, or returns therefrom, irrespective of the fact whether there is any change in the amount of salary admissible or not. The procedure of payment of leave salary on the basis of copies of notifications issued by the leave sanctioning authority is irregular and should be stopped.

3. Travelling allowance claims of Gazetted Officers are personal claims (*Vide* Article 59, M.C.A.C Vol. I), and as such, stamped acquittances in respect of such claims should be furnished on the original bills themselves.

4. Heads of Departments are requested to issue necessary instructions to all Gazetted Officers under their control for strict adherence to the instructions conveyed in this letter. Prompt transmission of charge reports both when officers proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of officers They should invariably state the fact of proceeding on leave and returning therefrom in the bills claiming leave salary and allowances.

5. The District Treasury Officers are requested to communicate these instructions to all Taluk Treasury Officers under their control for strict adherence. Payments made in contravention of these instructions will be treated as "Treasury Irregularities".

S. GUPTA,
6507 *Accountant-General.*

Dated 19th December 1951.

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Notification dated 8th May 1951.

All Treasury Officers.
All Heads of Departments.

Subject :—Claims of Gazetted Government Servants.

No. G.A.I.—Gl.—46. In inviting a reference to Article of M.C.A.C. Vol. I, I have to convey the following instructions for your information and necessary action. The increase or change in the rate of salary or fixed allowance is caused by the following :—

(i) Increments.

(ii) Additions to salary like Duty Allowance, Compensatory Allowance, High Price Allowance, Conveyance Allowance, Fixed Travelling Allowance, etc.

(iii) The emoluments admissible to a Government Servant when he proceeds on leave irrespective of the fact, whether the leave is privilege leave. furlough on average salary, furlough on half average salary, etc., and

(iv) The emoluments admissible to a Government Servant when he returns to duty on the expiry of the leave.

In all these cases the claims of the officers should be passed only when accompanied by the Accountant-General's authorisation, a copy of which is always endorsed by this office in favour of the Treasury Officer concerned.

2. The Heads of Departments are requested to issue necessary instructions to the Gazetted Officers, under their control, for strict adherence to the provisions of the rule cited. The prompt transmission of the charge reports, both when the Government Servants proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of the officers

---

Notification dated 26th December 1951.

All District Treasury Officers.
All Heads of Departments (both Central and State).

Subject :—Claims of Gazetted Government Servants.

No. G.A.I. Genl.—371. A number of instances where the treasury and other disbursing officers have made payments of pay, leave salary and allowances contrary to the instructions conveyed in this office circular No. G.A.I.—Gl.—46, dated 8th May 1951 (published in the *Mysore Gazette* dated the 17th May 1951) have come to the notice of audit.

2. In order to obviate the recurrence of such irregularities in future, I am notifying the circular referred to, once again, in the Gazette. The drawing and disbursing officers are particularly requested to note that the authority of this office is quite necessary for drawing the salary whenever a Government Servant proceeds on leave, or returns therefrom, irrespective of the fact whether there is any change in the amount of salary admissible or not. The procedure of payment of leave salary on the basis of copies of notifications issued by the leave sanctioning authority is irregular and should be stopped.

3. Travelling allowance claims of Gazetted Officers are personal claims (*Vide* Article 59, M.C.A.C Vol. I), and as such, stamped acquittances in respect of such claims should be furnished on the original bills themselves.

4. Heads of Departments are requested to issue necessary instructions to all Gazetted Officers under their control for strict adherence to the instructions conveyed in this letter. Prompt transmission of charge reports both when officers proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of officers They should invariably state the fact of proceeding on leave and returning therefrom in the bills claiming leave salary and allowances.

5. The District Treasury Officers are requested to communicate these instructions to all Taluk Treasury Officers under their control for strict adherence. Payments made in contravention of these instructions will be treated as "Treasury Irregularities".

S. GUPTA,
Accountant-General.

FFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

Circular dated 4—7th January 1952.

'o

The Secretaries of all Multi-purpose Co-operative Societies in the State.

No. 122—C.S. The undersigned has come across, during he course of his inspection of societies, instances where ›rticles like Chappals, Hair oils, Soaps, etc., have been ›urchased without any reference to the local requirements ınd needs. It is also observed that the prices of some of these articles are very high. On account of these circumstances, such things have remained as dead stock and are likely to cause loss to the concerned society. The authorities concerned, while making purchases should bear in mind the local requirements and needs and also make enquiries before striking any bargain with the Agents who approach the Societies for purchasing their things. For instance, in many Societies, Chappals said to have been prepared at Koratagere have been purchased and it is complained that the prices of these Chappals are decidedly higher than the prices prevailing for similar Chappals elsewhere. Moreover, Chappals of this kind and other articles mentioned above are not really needed in the rural parts. It has so happened that the introduction of these articles through the societies has created a fresh and unnecessary need among the villagers. It is hoped that the societies will be more careful in making purchases and stocking things.

6671

Circular dated 4—7th January 1952.

To

The Secretaries of all Multi-purpose Co-operative Societies in the State.

No. 123—C.S. It has been observed, especially in the case of Multi-purpose Co-operative Societies, that large sums of money are being spent for General Body Meeting expenses. There are instances in which even so large a sum as Rs. 400 has been spent for the General Body Meeting. It must be borne in mind that if they have earned high profits, it is mostly due to the several concessions that have been shown and granted by Government. On account of heavy sums of money so earned being spent in many cases for General Body Meetings, it has become necessary to issue the following instructions to limit this expenditure :—

1. Only the Certified Balance Sheet together with the allied statements should be printed for purposes of the General Body Meeting and an invitation to the General Body Meeting should also be printed on a portion of the balance sheet and the expenditure to be incurred for all this should not exceed Rs. 35. The report need not be printed. Printing of such Balance Sheets, etc., may be given up in the case of societies whose income is less than Rs. 100.

2. As regards lunch expenses, it should never, under any circumstances, exceed 4 annas per member present at the General Body Meeting. For sundry items, another sum of Rs. 5 may be spent. In the case of Societies whose income is less than Rs. 100 no expenditure should be incurred for lunch charges.

6672

Circular dated 8th January 1952.

To

The Hon. Secretaries of all Stores Co-operative Societies and other societies running Stores Sections.

No. 124. C. S. It is hereby notified for the information of the Co-operative Societies in the States that some of the Co-operative Societies have entered into business contracts with the following two firms with objects similar to Jupiter General Trading Corporation in spite of the fact that these firms are at no time recognized by this Department for carrying on business with co-operative societies.

1. Messrs B. Keshava Murthy, Dealers in Papers and Boards Stationery, etc., No. 68, III Main Road, Chamarajapet, Bangalore 2.
2. Messrs. Shastriar and Sons, Wholesale General Merchants and Commission Agents, No. TSA-42, Gavipur-Guttahalli, Basavangudi, Bangalore 4.

If the societies enter into any business terms with these firms, they do so at their own responsibility and risk. The immediate necessity for this circular is that instances have since come to notice wherein some of these firms are issuing printed appeals for purchasing their things and that things of inferior quality are supplied and higher rates are charged and also things are not supplied or supplied after much delay and correspondence. The societies have therefore to be very careful and businesslike in carrying on transactions with such firms.

K. THIPPERUDRIAH,
Registrar.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Notification dated 8th May 1951.

To

All Treasury Officers.
All Heads of Departments.

Subject :—Claims of Gazetted Government Servants.

No. G.A.I.—Gl.—46. In inviting a reference to Article 61 of M.C.A.C. Vol. I, I have to convey the following instructions for your information and necessary action.

The increase or change in the rate of salary or fixed allowance is caused by the following :—

(i) Increments.

(ii) Additions to salary like Duty Allowance, Compensatory Allowance, High Price Allowance, Conveyance Allowance, Fixed Travelling Allowance, etc.

(iii) The emoluments admissible to a Government Servant when he proceeds on leave irrespective of the fact, whether the leave is privilege leave, furlough on average salary, furlough on half average salary, etc., and

(iv) The emoluments admissible to a Government Servant when he returns to duty on the expiry of the leave.

In all these cases the claims of the officers should be passed only when accompanied by the Accountant-General's authorisation, a copy of which is always endorsed by this office in favour of the Treasury Officer concerned.

2. The Heads of Departments are requested to issue necessary instructions to the Gazetted Officers, under their control, for strict adherence to the provisions of the rule cited. The prompt transmission of the charge reports, both when the Government Servants proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of the officers

Notification dated 26th December 1951.

To

All District Treasury Officers.
All Heads of Departments (both Central and State).

Subject :—Claims of Gazetted Government Servants.

No. G.A.I. Genl.—371. A number of instances where the treasury and other disbursing officers have made payments of pay, leave salary and allowances contrary to the instructions conveyed in this office circular No. G.A.I—Gl.—46, dated 8th May 1951 (published in the *Mysore Gazette* dated the 17th May 1951) have come to the notice of audit.

2. In order to obviate the recurrence of such irregularities in future, I am notifying the circular referred to, once again, in the Gazette. The drawing and disbursing officers are particularly requested to note that the authority of this office is quite necessary for drawing the salary whenever a Government Servant proceeds on leave, or returns therefrom, irrespective of the fact whether there is any change in the amount of salary admissible or not. The procedure of payment of leave salary on the basis of copies of notifications issued by the leave sanctioning authority is irregular and should be stopped.

3. Travelling allowance claims of Gazetted Officers are personal claims (*Vide* Article 59, M.C.A.C Vol. I), and as such, stamped acquittances in respect of such claims should be furnished on the original bills themselves.

4. Heads of Departments are requested to issue necessary instructions to all Gazetted Officers under their control for strict adherence to the instructions conveyed in this letter. Prompt transmission of charge reports both when officers proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of officers They should invariably state the fact of proceeding on leave and returning therefrom in the bills claiming leave salary and allowances.

5. The District Treasury Officers are requested to communicate these instructions to all Taluk Treasury Officers under their control for strict adherence. Payments made in contravention of these instructions will be treated as "Treasury Irregularities".

6507 S. GUPTA, *Accountant-General.*

OFFICE OF THE DIRECTOR OF PRINTING, STATIONERY AND PUBLICATIONS IN MYSORE, BANGALORE.

Notification dated 16th January 1952.

Postal Regulations require that post cards of private manufacture should not be either thinner or more flexible than the inland post cards issued by the Post Office. Owing to the need for economy, service post cards have been supplied from the Government Press to several Government Departments in the past in thin substance of card, since during the time of supply, such post cards did not require any postage stamps to be affixed to them when they were posted On Mysore Government Service. Since at present the post cards have to be affixed with stamps, it is hereby notified for the information of all officers that the service post cards which are thinner than the inland cards of the Postal Department may be made use of as post cards only in unavoidable circumstances, after affixing stamps at the rate of postage required for envelopes, or cards got pasted double and made use of. Supplies of post cards from the Government Press at present are however, being made so as to be acceptable to the Postal Department for being used as post cards and stamped as such.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES, IN MYSORE, BANGALORE.

Notification dated 12th February 1952.

Allotment of yarn to powerlooms was being arranged by the Office of the undersigned and for handlooms through the Deputy Commissioners of the Districts concerned except in the cases of Bangalore City and District, where the distribution was arranged by the Office of the Controller of Civil Supplies, till the end of December 1950, as notified in Notification No. Y. 685, dated the 1st June 1950.

Since the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, has been formed as per Government Order No. A.F. 6423-28—C.S. 19-50-6, dated the 28th October 1950, for the distribution of yarn to the two-thirds of the total number of handlooms in the State through the Primary Weavers' Co-operative Societies, formed in several places in Mysore State with effect from 1st January 1951 and to one-third the total number of handlooms through the Retail Yarn Dealers with effect from February 1951, the following revised arrangements are therefore laid down in exercise of the powers conferred on me by clauses 30-A and 30-B and sub-clause (1)(a) of clause 22 of the Cotton Textiles (Control) Order, 1948 read with Notification No. 80—Tex. 1-48(ii), dated the 2nd August 1948 of the Textile Commissioner, Bombay, as the matter relates to distribution of yarn by wholesale and retail dealers and margin of profit of dealers and societies.

Method of Distribution.

The procurers of certain Mills who were not entitled to procurers' margin will function as agents of the respective mills and sell yarn so received at ex-mill rate *plus* sales-tax *plus* half per cent centage (to be remitted to Government as before) *plus* actual transport charges, if any.

The procurers-*cum*-consumers who are getting yarn direct from the Mills for use in their factories are required to remit half per cent centage to Government.

The procurers-*cum*-wholesalers have got to remit to Government half per cent centage of yarn purchased from the Mills either under allotment or under free sale.

Where the above classes of distributors purchase yarn from Mills either local or foreign under allotment, free sale or under *ad hoc* supplies, they should remit half per cent centage to Government and declare such stocks to this office for issue of release order.

Wholesalers who are holders of 'N' licenses and who are permitted to deal in yarn purchased under free sale from mills outside the State should remit to Government half per cent centage on the ex-mill value of the goods they purchase and declare such stocks to this office for issue of necessary release orders. 'N' wholesale licensees of mills situated within Mysore State also should declare their purchases to this office for purpose of allotment after paying half per cent centage to Government calculated on ex-mill value of goods.

Sri Shankara Textile Mills, Ltd., Davangere, and Sri Ganesar Textile Mills, Ltd., Davangere, and Davangere Cotton Mills, Ltd., Davangere, who are required to function as nominees for their yarn sold to wholesale dealers or to 'N' wholesale licensees in Mysore State, should credit to Government half per cent centage.

The wholesale yarn dealers who receive yarn bales from Gokak Mills as per allotment should remit to Government half per cent centage on all the bales of yarn allotted to them, from the date Messrs. Cosmic Commercial Co., Bangalore, have stopped remitting centage on the bales of yarn offered to Mysore State.

Wholesale Yarn Dealers.

The wholesale yarn dealers will be allotted yarn out of the State quota as per quota fixed to each, depending upon the actual number of yarn bales received during each month and they are entitled to charge 2½ per cent wholesaler's margin calculated on ex-mill value on yarn sold to Retail Dealers, Co-operative Societies or to Powerloom Factories.

2. The Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, is permitted to charge 2½ per cent wholesale margin on 40 bales of yarn allotted each month from Messrs. Devarao Shivaram, Ltd., Bangalore, and for the other yarn bales allotted from the several wholesalers, 1 per cent on ex-mill value towards their margin of profit.

3. Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota to be fixed from time to time. In case such powerloom factories do not pay and lift the allotted quota within ten days from the date the concerned wholesale dealer send intimation to the powerlooms concerned, then the quotas of such powerlooms may be treated as lapsed and declared to the office for purposes of re-allotment.

4. The wholesale yarn dealers should declare stocks lapsed by the retail yarn dealers or Co-operative Societies or unallotted balances on the 5th of the succeeding month and obtain distribution instructions from this office as regards such lapsed or unallotted bales.

5. Where the wholesale yarn dealers purchase yarn under free sale direct from the Mills (either local or foreign)

they are required to remit half per cent centage to Government and declare such stocks for allotment by the office.

6. Yarn purchased by wholesale yarn dealers under free sale from the Mills for purposes of export outside the State is subject to the same procedure as laid down in para 5 above.

Retail Yarn Dealers and Co-operative Societies.

The retail yarn dealers in the State should purchase yarn on permits issued by this office and sell such yarn to the weavers attached to them as per approved list. They should charge 5 per cent retail margin only calculated on ex-mill value. Yarn should not be sold to persons who are not weavers and who are not on the approved list.

The Weavers' Co-operative Societies in the State should purchase yarn on permits issued by the Secretary, the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, and distribute the same to the weavers attached to them. They should charge 4 per cent retail margin calculated on ex-mill value. The Weavers' Co-operative Societies should not either add or alter the names of persons or the number of handlooms attached to them without the permission of this office. On 40 bales of yarn referred to in para 2 above, they can charge 5 per cent.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE BANGALORE.

Notification dated 12th February 1952.

Allotment of yarn to powerlooms was being arranged by the Office of the undersigned and for handlooms through the Deputy Commissioners of the Districts concerned except in the cases of Bangalore City and District, where the distribution was arranged by the Office of the Controller of Civil Supplies, till the end of December 1950 as notified in Notification No. Y. 685, dated the 1st June 1950.

Since the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, has been formed as per Government Order No. A.F. 6423-28—C.S. 19-50-6, dated the 28th October 1950, for the distribution of yarn to the two-thirds of the total number of handlooms in the State through the Primary Weavers' Co-operative Societies, formed in several places in Mysore State with effect from 1st January 1951 and to one-third the total number of handlooms through the Retail Yarn Dealers with effect from February 1951, the following revised arrangements are therefore laid down in exercise of the powers conferred on me by clauses 30-A and 30-B and sub-clause (1)(a) of clause 22 of the Cotton Textiles (Control) Order, 1948 read with Notification No. 80—Tex. 1-48(ii), dated the 2nd August 1948 of the Textile Commissioner, Bombay, as the matter relates to distribution of yarn by wholesale and retail dealers and margin of profit of dealers and societies.

Method of Distribution.

The procurers of certain Mills who were not entitled to procurers' margin will function as agents of the respective mills and sell yarn so received at ex-mill rate *plus* sales-tax *plus* half per cent centage (to be remitted to Government as before) *plus* actual transport charges, if any.

The procurers-*cum*-consumers who are getting yarn direct from the Mills for use in their factories are required to remit half per cent centage to Government.

The procurers-*cum*-wholesalers have got to remit to Government half per cent centage of yarn purchased from the Mills either under allotment or under free sale.

Where the above classes of distributors purchase yarn from Mills either local or foreign under allotment, free sale or under *ad hoc* supplies, they should remit half per cent centage to Government and declare such stocks to this office for issue of release order.

Wholesalers who are holders of 'N' licenses and who are permitted to deal in yarn purchased under free sale from mills outside the State should remit to Government half per cent centage on the ex-mill value of the goods they purchase and declare such stocks to this office for issue of necessary release orders. 'N' wholesale licensees of mills situated within Mysore State also should declare their purchases to this office for purpose of allotment after paying half per cent centage to Government calculated on ex-mill value of goods.

Sri Shankara Textile Mills, Ltd., Davangere, and Sri Ganesar Textile Mills, Ltd., Davangere, and Davangere Cotton Mills, Ltd., Davangere, who are required to function as nominees for their yarn sold to wholesale dealers or to 'N' wholesale licensees in Mysore State, should credit to Government half per cent centage.

The wholesale yarn dealers who receive yarn bales from Gokak Mills as per allotment should remit to Government half per cent centage on all the bales of yarn allotted to them, from the date Messrs. Cosmic Commercial Co., Bangalore, have stopped remitting centage on the bales of yarn offered to Mysore State.

Wholesale Yarn Dealers.

The wholesale yarn dealers will be allotted yarn out of the State quota as per quota fixed to each, depending upon the actual number of yarn bales received during each month and they are entitled to charge 2½ per cent wholesaler's margin calculated on ex-mill value on yarn sold to Retail Dealers, Co-operative Societies or to Powerloom Factories.

2. The Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, is permitted to charge 2½ per cent wholesale margin on 40 bales of yarn allotted each month from Messrs. Devarao Shivaram, Ltd., Bangalore, and for the other yarn bales allotted from the several wholesalers, 1 per cent on ex-mill value towards their margin of profit.

3. Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota to be fixed from time to time. In case such powerloom factories do not pay and lift the allotted quota within ten days from the date the concerned wholesale dealer send intimation to the powerlooms concerned, then the quotas of such powerlooms may be treated as lapsed and declared to the office for purposes of re-allotment.

4. The wholesale yarn dealers should declare stocks lapsed by the retail yarn dealers or Co-operative Societies or unallotted balances on the 5th of the succeeding month and obtain distribution instructions from this office as regards such lapsed or unallotted bales.

5 Where the wholesale yarn dealers purchase yarn under free sale direct from the Mills (either local or foreign) they are required to remit half per cent centage to Government and declare such stocks for allotment by the office.

6. Yarn purchased by wholesale yarn dealers under free sale from the Mills for purposes of export outside the State is subject to the same procedure as laid down in para 5 above.

Retail Yarn Dealers and Co-operative Societies.

The retail yarn dealers in the State should purchase yarn on permits issued by this office and sell such yarn to the weavers attached to them as per approved list. They should charge 5 per cent retail margin only calculated on ex-mill value. Yarn should not be sold to persons who are not weavers and who are not on the approved list.

The Weavers' Co-operative Societies in the State should purchase yarn on permits issued by the Secretary, the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd., Bangalore, and distribute the same to the weavers attached to them. They should charge 4 per cent retail margin calculated on ex-mill value. The Weavers' Co-operative Societies should not either add or alter the names of persons or the number of handlooms attached to them without the permission of this office. On 40 bales of yarn referred to in para 2 above, they can charge 5 per cent.

Margin of profit and other charges.

In effect the margin of profits will be as indicated below on Rs. 100 ex-mill value of yarn.

(In the case of Licensed Yarn Dealers)

			Rs.	a.	p.	
1	Sales-tax	...	0	8	0	(Calculated on ex-mill value)
2	Centage	...	0	8	0	Do do
3	Wholesale Margin	...	2	8	0	Do do
4	Retail Margin	...	5	0	0	Do do
	Total	...	8	8		

(In the case of Licensed Weavers' Co-operative Societies.)

In the case of uneconomic Spinning Mills where the Textile Commissioner, Bombay, permits the Mills to charge any percentage over ex-mill value of yarn, the margin so recovered by the Mills may be passed on to the consumers in addition to the limit of margin fixed to the different classes of yarn dealers and Weavers Co-operative Societies in the State.

Handling and transport charges on yarn from Mills to Consumers.

1. In the case of yarn manufactured in the Mysore Spinning and Manufacturing Mills, Ltd., Minerva Mills, Ltd., Sri Krishnarajendra Mills, Ltd., Bangalore Woollen Cotton and Silk Mills, Co., Ltd., Sri Kapila Textile Mills, Mysore, the yarn dealers can charge actual handling and transportation charges which in the aggregate should not exceed five annas (Re. 0-5-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

2. On yarn manufactured in Davangere Cotton Mills, Ltd., Sri Shankara Textile Mills, Ltd., Sri Ganesar Textile Mills, Ltd., Davangere, they are entitled to charge actual charges which in the aggregate should not exceed seven annas (Re. 0-7-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

3. On yarn manufactured in Mills outside Mysore State, they are entitled to charge actual expenditure which in the aggregate should not exceed ten annas (Re. 0-10-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

4. Since the Mills have commenced to mark ex-mill rate as well as retail rate on yarn (which is 12 per cent above ex-mill rate) as against the maximum retail selling rate of 8½ per cent *plus* transport charges over ex-mill rate allowed in Mysore, the Retail Yarn Dealers and the Weavers Co-operative Societies are warned that they should sellr any at ex-mill rate *plus* 8½ per cent *plus* transport charges specified above and not at the retail rate marked on yarn by the Mills.

The above arrangements will continue to remain in force until further orders.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 4th March 1952.

Instructions to Wholesale Dealers and Retail Dealers in the State.

No. T. 12265. It is hereby notified for the information of the cloth dealers in the State that Notification No. T. 2138, dated the 30th May 1950 and subsequent Notifications issued in modification of the above notification dated 30th May 1950 up-to-date are hereby cancelled and revised instructions are issued to the Wholesale cloth dealers in the State in exercise of the powers conferred on me by clause 30-A of the Cotton Textiles (Control) Order, 1948, as regards the sale of Indian mill cloth to the retailers which come into effect from the 5th March 1952.

2. Their attention is hereby invited to Notification No. T. 12301, dated 4th March 1952, embodying instructions to State Nominees.

3. The Wholesale dealers will be allotted Bombay, Ahmedabad, Sholapur and other mill goods during each month out of stocks declared by the Nominees for controlled distribution. They are free to purchase freesale goods from the nominees in case the same is not taken over for allotment by the office. Goods purchased either under allotment or under freesale by the Wholesale dealers should be sold to the retailers of the district to which they are attached not exceeding on the aggregate 1,500 yards to each retailer during each month by each wholesaler. They should note on the purchase slip attached to the retail licenses the details of sales as at present. The wholesale dealers attached to Bangalore Corporation and Bangalore District are free to sell the above goods to the retailers in Bangalore Corporation and District subject to the above quantitative limit as regards the sales to retailers by each Wholesale dealer.

The above quantitative limit of sales to attached retailers may be counted with effect from 1st March 1952 out of quantities sold from 23rd allotment and onwards. There is no quantitative limit with regard to goods that the Wholesale dealers could sell to the retailers in the concerned areas, with regard to goods that they may have on hand out of freesale goods or under allotment prior to 23rd allotment.

4. While selling the above goods to the retailers the Wholesale dealers should not force goods such as woollen goods, silk goods, handloom goods and powerloom goods which do not come under control. Where the above categories of goods are sold to retailers, while selling Bombay, Ahmedabad, Sholapur and other mill goods the Wholesale dealers should get an endorsement by the concerned retailer on the cash or credit bill that the retailer has purchased these non-controlled textile goods out of his free choice with his signature and address.

5. The Wholesale dealers in Mysore State are free to purchase freesale goods from mills outside Mysore State. The concerned Wholesale dealers should get their railway receipts duly registered and countersigned in the office before actually taking delivery of the goods from the railways. While presenting the Railway receipt in the office they should declare the quantity and variety of goods together with a copy of their invoices to the Financial Assistant. Where they purchase goods direct from mills at ex-mill rate, they should remit to Government Treasury ½ per cent centage and 2 per cent Procurers' margin calculated on the ex-mill value of the goods, to the head of account "LI. Extraordinary receipts (b) other items, cloth license fee, centage, etc.," and sell the goods to the retailers of the district to which they are attached within the limit of 1,500 yards specified for sale during each month to each retailer.

6. Where the Wholesale dealers purchase freesale goods from commission agents paying margin up 2 per cent they will have to credit to Government ½ per cent centage and the difference between 2 per cent and the commission actually paid to the commission agents. Any commission paid in excess of 2 per cent should be covered out of their own margin and should not be passed on to the retailers. It should be clearly noted that no sales should be effected without crediting ½ per cent centage and 2 per cent Procurers' margin wherever it has to be paid to Government. The department reserves the right to allot such freesale goods purchased by the Wholesale dealers whenever it is found necessary.

7. The goods purchased by Wholesalers should not be sold either to the nominees or to the other wholesale dealers, but should only be sold to the retailers as indicated above. Failure to adhere to the above instructions will entail in the cancellation of the whole license.

8. 'N' Wholesale licensees who are permitted to deal in freesale goods purchased from mills or dealers outside the State are subject to the above procedure. Since they are not attached to any taluk or district, they should sell the goods purchased to the retailers of the district, where they have their place of business not exceeding the quantitative limit of 1,500 yards fixed to each retailer during each month.

9. *Local Mill Goods (Goods manufactured in Bangalore Woollen, Cotton and Silk Mills).*—The Wholesale

dealers who are allotted Binny Mill goods by turn are required to sell the allotted goods to the retailers of the district to which they are attached not exceeding on the aggregate 500 yards to a retailer in a month.

10. *Local Mill Goods (goods manufactured in Mysore Spinning Mills, Minerva Mills and Krishnarajendra Mills).*—Allotment will be arranged to the Wholesale dealers through Purchase Authorities from this office. The Wholesale dealers should purchase the allotted goods within 8 days of from the date of the Purchase Authority (for purposes in calculating 8 days the date of Purchase Authority should be excluded). In areas where the retailers are not attached to the Wholesale dealers they should sell these goods to the retailers of the taluk, at not exceeding in the aggregate 300 yards to a retailer in a month. In areas where retailers are attached to the Wholesale dealers the quantity of the above local mill goods received should be equitably divided and sold to all the retailers both in quantity and variety. They should not hold back goods from offering to retailers. Where the attached retailers fail to purchase the goods before 8 days from the date the wholesale dealer sends intimation to the retailer concerned, the quota may be treated as lapsed and may be sold to any retailer within the area or the taluk to which the wholesale dealer is attached. But a retailer who receives regular allotment from the attached wholesale dealer and purchases lapsed quotas from the other wholesale dealers attached to the same taluk or the area should not purchase in the aggregate a quantity exceeding 600 yards in a month.

Under no circumstances, the Wholesale dealers should sell local mill goods to a retailer outside the area or the taluk to which he is attached. The Wholesale dealers should note on the purchase slip attached to the retail licenses the details of sales as at present (entries relating to first sale or freesale).

11. *Allotment of Mettur Mill Goods.*—Mettur Mill goods (either mull or longcloth) will be allotted to the Wholesale dealers by turn as per account maintained in the office. The Wholesale dealers who receive Mettur longcloth should sell equitably to the attached retailers where the retailers are attached to the Wholesale dealers and in case the retailers fail to lift the goods, the same may be sold to the retailers in the taluk not exceeding 4 pieces to a retailer. Where retailers are not attached, Mettur longcloth may be sold to the retailers of the taluk or the area to which the Wholesale dealer is attached not exceeding 4 pieces to a retailer.

12. As regards Mettur Mull the Wholesale cloth dealers who have their place of business in Bangalore, should offer 50 per cent of their stock for allotment by this office, the balance 50 per cent may be sold to the attached retail dealers not exceeding 2 pieces to a retailer. Wholesale dealers outside Bangalore Corporation should sell the allotted goods to the attached retailers equitably and in case they fail to receive the goods in 8 days from the date of intimation, by Wholesale dealers the quota may be treated as lapsed and sold to other retailers of the taluk or area attached not exceeding 2 pieces. These issues should also be noted in the purchase slip attached to the licenses, and should be counted outside the quantitative limit fixed for sale of the local mill goods or Bombay, Ahmedabad Mill goods.

13. The Wholesale dealers should not sell sound goods (either local mill goods or Bombay, Ahmedabad and other mill goods) to the readymade dress manufacturers in the State.

14. *Fents and Seconds.*—Where seconds or fents of local mills are allotted to the Wholesale dealers and where they are permitted to sell to readymade dress manufacturers without permit either from this office or from the Deputy Commissioners concerned, the wholesale dealers are permitted to sell fents and seconds to the Readymade Dress Manufacturers in the district to which they are attached not exceeding 400 yards in the case of seconds and not exceeding 100 pounds in the case of fents to a readymade dealer. Fents and seconds of Bombay, Ahmedabad, Sholapur and other outside mill goods may be sold to the retailers or to the Readymade Dress Manufacturers in the district to which the wholesale dealer is attached. In the case of seconds the sale should not be more than 1,500 yards to a retailer or to a Readymade Dress Manufacturer and in the case of fents it should not exceed 400 pounds. The above sale is within the quantitative limit of 1,500 yards fixed for sound goods to a retailer from a Wholesale dealer.

15. *Binny Fents and Seconds.*—Allotment of Binny fents and seconds will be confined to Readymade Dress Manufacturers in Bangalore which will be issued on permits to be issued by this office. Readymade Dress Manufacturers outside Bangalore Corporation should obtain the supplies of fents and seconds on permits to be issued by the concerned Deputy Commissioners or from the Wholesale dealers attached to their areas and they should not approach this office for allotment.

16. In areas where retailers are attached to Wholesale dealers the Wholesale dealers should follow the list of retailers already furnished to them.

17. The Wholesale dealers should furnish a statement of monthly sales to the Inspectors concerned as well as to this office so as to reach on or before the 5th of the succeeding month in respect of sales of Bombay, Ahmedabad, Sholapur and other Outside Mill goods and Local Mill goods in the form noted below:—

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 13th March 1952.

No. T. 12607. The attention of the nominees is invited to Para 1 of Notification No. T. 12435, dated 11th March 1952. The Nominees of Binny Mills are hereby permitted to sell lapsed quotas of Wholesale dealers to the Wholesale dealers of their choice in the State without any quantitative limit.

2 The quantitative restriction of 4 bales regarding sale of lapsed quotas of Bombay and Ahmedabad mill goods bearing January, February and March 1952 tex, has been raised from 4 bales up to 8 bales, to a wholesale dealer by a Nominee in a month. With this modification the other terms and conditions of Notification No. T. 12435, dated 11th March 1952 remain in force.

8148

Notification dated 13th March 1952.

No. T. 12634. The attention of the Wholesale dealers in the State is invited to Para 2 of Notification No. T. 12462 dated 11th March 1952. The Wholesale dealers are hereby permitted to sell Bombay, Ahmedabad and Sholapur Mills goods on hand as well as goods bearing January, February and March 1952 Tex to be allotted throughout the State without any quantitative limit.

2. In Para 3 of the above Notification Binny goods on hand were permitted to be sold throughout the State without quantitative limit but January, February and March 1952 Tex goods were permitted to be sold in the Districts concerned without quantitative limit. This is modified to permit sale of Binny goods on hand as well as goods bearing January, February and March 1952 Tex goods allotted or to be allotted throughout the State without any quantitative limit.

3. In para 4 of the above Notification the Wholesale dealers were required to sell the local mill goods to the retailers concerned after the retailers had shown an entry in the purchase slip attached to the licenses that the retailer has purchased 100 yards of Bombay, Ahmedabad and Sholapur mill goods for that month. This condition remains in force. But in areas where the retailers are not attached to wholesale dealers, the wholesale dealers should sell local mill goods (*i.e.*, goods manufactured in Mysore Spinning Mills, Minerva Mills and Krishnarajendra Mills) to the retailers of the Taluk at not exceeding in the aggregate 300 yards to a retailer in a month. In case the goods are not purchased by the retailers within 8 days from the date the goods are actually received by the wholesale dealers, they are free to treat such goods as lapsed and sell to the retailers in the District not exceeding in the aggregate 300 yards to a retailer in a month under free-sale.

4. In areas where retailers are attached to the wholesale dealers, the quantity of the above local mill goods received should be equitably divided and sold to the retailers both in quantity and variety. They should not hold back goods from offering to the retailers. Where the attached retailer fails to purchase the goods before 8 days from the date the wholesale dealer sends intimation to the retailer concerned the quota may be treated as lapsed and may be sold to any retailer within the district concerned, not exceeding in the aggregate 300 yards to a retailer in a month under free-sale.

5. In effect a retailer in acres where retailers are attached to the wholesale dealers can purchase in a month the quantity due to him in regular allotment *plus* a quantity up to 300 yards under freesale from one or many wholesale dealers attached to the same district. A retailer in areas where retailers are not attached to wholesale dealers can purchase a maximum quantity of 300 yards of regular quota from one or many wholesale dealers attached to the taluk or area concerned and a further maximum quantity of 300 yards under free-sale from one or many wholesale dealers attached to his district.

6. The above quantitative restriction regarding sales of local mill goods apply to the goods allotted in 34th allotment and onwards. Local mill goods remaining in stock out of allotment made before 34th allotment, may be sold to the retailers in the District concerned without any quantitative limit.

7. The Wholesale dealers should note sales in the Purchase slip attached to retail licenses the details of sales as at present (entries relating to first sale or free-sale regarding local mill goods and sales relating to Binny's, Bombay, Ahmadabad and Sholapur goods separately).

8. Subject to the above modifications the other terms and conditions of Notification No. T. 12265 dated 4th March 1952 and Notification No. T. 12462 dated 11th March 1952, remain in force until further orders.
